If the determination made at the second stage is not satisfactory to the Grievant, he shall make written request for review within ten business days from the determination at the second stage and file a copy of request with the Clerk of the Board of Supervisors of the County of Wayne and the Department Head involved with said matter at the second stage. The Grievance Committee of the Board of Supervisors shall within thirty (30) days or at the next regular scheduled meeting of said Committee, whichever comes first, grant a hearing to the Grievant. The Grievant shall have a minimum of three (3) days notice of said hearing. At that time the Grievant and the department head may present oral and written statements and witnesses. A written finding shall be made within five days after the hearing by the Committee and transmitted to the Grievant.

Section 6.

If a satisfactory solution is not reached then the Grievant and/or his representative shall make a request for arbitration within thirty (30) calendar days from the determination at the third stage. A copy of said request shall be filed with the Clerk of the Board of Supervisors. Upon receipt of said request the County and Grievant shall agree upon an arbitrator; or if the parties cannot agree then an application shall be made to the New York State PERB for a list of five (5) arbitrators. Within seven (7) business days of the receipt of the aforementioned list the County and the Grievant shall alternately reject one name until one name remains on the list. The remaining arbitrator shall then hear the matter.

Section 7.

Following selection of an arbitrator the parties shall present the facts relevant to the grievance and the determination thereafter by the arbitrator shall be binding upon both parties. The decision of the arbitrator shall be rendered within thirty (30) calendar days following the close of the hearing. Both parties will share equally the cost of the arbitrator.

Section 8.

A Grievant shall be entitled to an association representative in the presentation and processing of a grievance at all stages under the procedure.

Section 9.

The time limitation for each step of the aforementioned procedure may be waived by mutual agreement of the parties in writing.

Section 10.

A Grievant and his Association representative shall be allowed such time off from his regular duties as may be necessary and reasonable for the processing of a grievance adopted pursuant to this Agreement without loss of pay or annual leave or other time credits.

Section 11.

1. Disciplinary Action, Definitions

Disciplinary action may consist of written reprimands, suspensions without pay for periods not to exceed two (2) months, fines not to exceed \$200, to be deducted from the salary or wages of the employee in installments, loss of accrued leave credits, demotions in grade and title and dismissals from the service, and may be imposed only for incompetency or misconduct.

2. Disciplinary Action, Immediate Suspension

An employee may be suspended by the County without pay for up to thirty days pending the outcome of the grievance procedure, provided that a determination is made by the County that an employee's continued presence on the job would be disruptive to the normal course of business or threaten the safety of fellow employees or the public. In all other cases, disciplinary action may not be imposed except in accordance with this procedure. In cases of suspension prior to hearing, an arbitrator may award back pay or he may consider the period of suspension as part of the appropriate penalty. All awards of back pay shall be limited to the amount of wages the employee would have earned from his employment with the employer but not in excess of the period above defined,

less the amount of any Unemployment Insurance Benefits he may have received during said period and any other compensation for personal services that he has received from any source during said period.

3. Disciplinary Action, Notice of Proposed Action

An employee against who disciplinary action is proposed shall receive a written notice of the proposed action and the reasons therefore. A copy of this notice shall be provided to the Union. Unless a written grievance is filed with the Clerk of the Board of Supervisors within eight (8) days of the receipt of such notification, by the employee, the matter will be settled upon the penalty as proposed by the County, and the disciplinary action proposed shall become effective. The notice of proposed disciplinary action shall specify the charges preferred against the employee and the particular alleged acts or conduct, and the date, time and places such acts or conduct occurred, as well as the penalty sought by the County.

4. Disciplinary Action, Employee Rights

Except as otherwise provided in this section, none of the disciplinary penalties listed shall take effect until the completion of the procedure. An employee is entitled to representation by the Union or an attorney at any step of the proceeding. The rights provided in this article extend to all employees in the bargaining unit except probationary and provisional employees of the Employer.

5. Disciplinary Action, Waiver of Civil Service Rights

The parties agree that the procedure provided in this contract shall be the exclusive procedure for the taking of disciplinary action against employees, and the review of such disciplinary action by employees. Any and all rights extended to employees by Section 75 and 76 of the Civil Service Law, or any rule or regulation adopted thereunder, are hereby waived.

6. Disciplinary Action, Grievance Procedure

Any grievance contesting disciplinary action, proposed or taken, shall be filed directly at Step 3 of the grievance procedure provided in this contract. If not resolved at Step 3, the grievance may be submitted to Step 4 in accordance with the grievance procedure provided in this contract.

7. Disciplinary Action, Grievance Procedure, Time Limits

Unless the parties mutually agree to extend the time limits set forth in this procedure, a grievance shall be deemed settled on the basis of the relief sought by the grievant. If the employer fails to comply with such time limits at each step while the grievance shall

be deemed waived and the grievance shall be barred from proceeding to the next step if the Grievant fails to comply with the aforementioned time limits. No disciplinary proceeding shall be commenced more than three years after the occurrence of the alleged incompetency or misconduct complained of, except that such limitation shall not apply where the incompetency or misconduct complained of would, if approved in a court of competent jurisdiction, constitute a crime.

ARTICLE 24. TUITION REIMBURSEMENT

Section 1.

Subject to the recommendation of the department head and with prior approval of the Personnel Committee of the Board of Supervisors or its designee, tuition reimbursement will be granted to full time employees holding permanent status for course work taken outside of normal working hours provided: a completed request form is submitted to the employee's department head; the course is taken at a local educational institution which is accredited by New York and the Course is directly related to work actually performed by the employee or work which may be reasonably expected to be performed by the employee in the near future.

Section 2.

The maximum reimbursement to any employee will be equal to 75% of the actual tuition cost to the employee, to a maximum of \$1,000.00 in any school year (September - August). Actual reimbursement shall be contingent upon the following:

- a) The employee must submit documentation of the tuition cost paid by him/her for the course and proof that the course was successfully completed.
- b) The employee must still be employed by Wayne County at the time the course is completed.

Section 3.

Disputes regarding the application of this Article may be resolved by the grievance procedure, except that the third stage shall be the final step.

ARTICLE 25. HEALTH AND SAFETY COMMITTEE

The County and the Union agree to establish a health and safety committee to be comprised of three (3) Union and three (3) County representatives. The County representatives shall include the County Administrator and a member of the Board of Supervisors. The Committee shall meet by mutual agreement but not less than six (6) times a year on odd numbered months for the purpose of jointly investigating and reviewing health and safety conditions and practices. Employee members of the Health and Safety Committee may attend meetings of the Committee during normal working hours without loss of time or pay.

**MEMORANDUM OF AGREEMENT BETWEEN
THE COUNTY OF WAYNE AND
CSEA, INC., LOCAL 1000, AFSCME, AFL-CIO, WAYNE COUNTY
EMPLOYEES AND SUPERVISORY UNITS, LOCAL 859**

3/14/96

Although new federal regulations require drug and alcohol testing of certain employees, the Public Employees' Fair Employment Act requires the County of Wayne ("County") and the Civil Service Employees Association, Inc., Local 1000, AFSCME, AFL-CIO, Wayne County Employees and Supervisory Units, Local 859 ("CSEA") to negotiate the impact of the new federal requirements. The County and CSEA agree to the following alcohol and drug testing protocols.

Section 1: Tests for Drugs and/or Alcohol

General: The County shall have its employees tested for drug and alcohol use in accordance with the Federal Highway Administration regulations, 49 CFR Parts 40, 382, 391, 392, 395, that pertain to employees who operate commercial motor vehicles and are subject to commercial drivers' license requirements pursuant to 49 CFR Part 383. Unless mutually agreed to by the County and CSEA, the County's testing program shall not exceed what is mandated by the federal regulations. The program and its procedures shall be implemented for affected County employees on January 1, 1996.

Random Testing: The County shall select a qualified third party administrator to identify employees for random drug and/or alcohol testing conducted in accordance with the federal regulations. The County, upon written request, shall provide CSEA with a list of employees selected for testing for the sole purpose of verifying the "randomness" of the sample.

Reasonable Suspicion Testing: The County has the right to test an employee in the event that there is a reasonable suspicion that an employee may be under the influence of drugs and/or alcohol. When a reasonable suspicion test is required, the employee may consult with legal counsel and/or a CSEA representative as long as such consultation does not cause an unreasonable delay in the testing process.

An employee subject to reasonable suspicion testing will be transported to and from the collection site by the County.

A copy of the written report which led to the reasonable suspicion testing will be made available to the CSEA President upon request.

The final decision to have an employee tested for reasonable suspicion shall be made by the employee's department head or designee. The designee shall in all cases be a managerial (non-union) employee.

Supervisory personnel shall receive refresher training on an annual basis.

Post Accident Testing: When a post accident test is required, the employee may consult with legal counsel and/or a CSEA representative as long as such consultation does not cause an unreasonable delay in the testing process.

Medical Review Officer (MRO): The County's MRO shall be provided by the third party administrator.

Section 2: Testing Procedures

An employee should make the MRO or collection site supervisor aware of any medication s/he is using at the time of testing.

If a test result of the primary specimen is positive, the affected employee may request that the split specimen be tested in accordance with the procedures set forth in 49 CFR Part 40, sections 40.25 (f) (10) (11), 40.29 (b) (2) (3) and 40.33 (f). This request must be made within seventy-two (72) hours of notification to the employee of the positive test result. The costs associated with the test of a split specimen shall be the responsibility of the employee if the results of the test are positive. The County shall require reimbursement from the employee for the cost of the test within a reasonable period of time not to exceed thirty (30) days.

Section 3: Payment of Wages

To the extent required by the current collective bargaining agreement and the Fair Labor Standards Act, the County shall pay the employee for the time required to comply with random, post-accident, reasonable suspicion and pre-promotional drug and alcohol testing. It is the County's intent to schedule these tests, whenever possible, during regular working hours. Any required return-to-duty and follow-up testing shall be done on the employee's own time.

Section 4: Call-In Procedure

At the time an employee is called to report to duty, the employee shall acknowledge the use of any alcohol or any drug or other substance which might impair the employee's ability to perform job duties. In such cases the employee will not be required to report to work.

Section 5: Evaluation and Treatment

Any costs for an initial evaluation by the substance abuse professional (SAP), selected by the County after consultation with CSEA, shall be borne by the County. Any costs associated with treatment recommended by the SAP shall be the employee's responsibility. All required return-to-duty and follow-up testing shall be paid for by the employee. When a return-to-duty and/or a follow-up test is to be performed, the employee may consult with legal counsel or a CSEA representative as long as the testing process is not delayed or otherwise disrupted.

Upon prior approval by the County, an employee may utilize the services of a substance abuse professional (SAP) other than the one designated by the County.

Any discipline for a positive test result shall be administered in accordance with Article 23 of the appropriate collective bargaining agreement.

Efforts will be made by the County to assign employees who test positive to non-safety sensitive duties if possible and appropriate. This may require the employee to accept a position different from the one s/he held at the time of the positive test.

If a position is not available for any period of time, the employee may draw on any existing vacation, personal leave and/or compensatory time accruals as long as s/he is in compliance with the recommendation of the SAP. The employee may draw on any existing sick time accruals for time spent during normal working hours under the care of a physician or for time spent during normal working hours in scheduled activities prescribed by the SAP. The employee must, upon request by the department head or his/her designee, provide a certificate from a physician and/or SAP recommended professional verifying the time claimed as sick leave.

Reinstatement to the employee's position or an equivalent position may only occur upon certification that the employee has satisfactorily fulfilled the treatment plan prescribed by the SAP with a recommendation that the employee be returned to regular assignment. Department Heads shall retain the right to assign and manage personnel in accordance with the Civil Service Law and the collective bargaining agreements.

Section 6: Previous Policies and Procedures

In the event of a conflict, the federal regulations and this memorandum of agreement shall supersede previous policies and procedures pertaining to drug and alcohol testing.

Section 7: Copies of Agreement

The County shall provide each affected employee with a copy of this memorandum of agreement.

Section 8: Severability

If any provision of this memorandum of agreement conflicts with a statutory or regulatory provision or is declared invalid or unenforceable by a court of competent jurisdiction, the remaining provisions of this memorandum of agreement shall remain in full force. The parties shall thereafter meet within ninety (90) days to renegotiate said negated provision.
